

CFA's Weekend Snack Pack Program *Comments from Parents & School Officials:*

"The Weekend Snack Pack Program shows a lot of care and concern for the kids in our community. Thank you. It's a big help to our family."

"This program is a help for us at home as a safety meal. Thanks."

"I am really grateful for your program. It helps me save on snacks and my daughter eats it all. It helps tremendously."

"I believe this snack pack program is great for families like mine. My family and I are very thankful."

"My Kids love to have the Weekend Snack Pack. They are ever so happy about it. Please let it continue."

"There have been plenty of times this snack pack has saved me!"

"Weekend Snack Packs are a very good and healthy assortment of food."

"Many of us are doing our best to stay afloat due to 'low paying jobs', no jobs, not a good support system, etc, so getting this extra help is important. Bergen County does have individuals who are considered 'below poverty line', even though there are many people who don't want to recognize that fact. Thank you for letting us express our thoughts."

"This program is very beneficial for the kids. There are times my daughter puts certain snacks she loves away for a snack at school on Monday. She enjoyed this program very much. Thank you."

"Thank you for supplying this service. I appreciate it and hope it continues."

"This is a good program because kids can have healthy snacks."

"The Weekend Snack Pack Program" is a vital program because it helps some families in providing meals. I hope the program continues."

"Thank you for providing our son Weekend Snack Pack. It's an important program for our kids and I'm sure many parents are very appreciative."

"This is really great for the kids. My son is so happy with the snacks. Thank you and please continue."

"Many of our families have spoken to us about the WSPP and are very appreciative of all CFA's efforts to help provide food for their children. I do hope the Weekend Snack Program will be able to continue." – Quarles School Official

"The CFA Weekend Snack Pack Program is a tremendous support for children and their families. The students, teachers, parents, and school administration think that the program is incredibly important for children to have success. As the research demonstrates, children who are well fed are more apt to perform academically well in the classroom, schools, and life." – Grieco School Official

"Excellent program!"
